NOTES

Kitchen volunteers for the first game should arrive 20 minutes prior to tip-off

Kitchen volunteers for the second game should come to the kitchen once the first / previous game ends.

Parents for the Cheerleaders will run the 50/50 program this year. TBD indicates the Coach will pick volunteers since the Girls will be cheering at the game(s).

Door Security is assigned by the front door at St. Michaels Lane. The individual should also watch the hallway adjacent to the gym - by the Girl's restrooms

Gym Security should walk between both side entrances to the gym - via the cafeteria. Try to corral running and fooling around - as well as limit food and drink in the gym.
